

Sport:
Cycling - Cyclo Cross

Competition:
Devon School Games

Teams
8 riders per team, 4 from each of 2
Year groups (5 & 6).
50/50 gender split (i.e. 2 boys & 2 girls per year group).

Rules
Time trial to seed riders into mass start races.
Results from time trial **DO NOT** count towards final team score.
1 Rider per team in each mass start race, assuming a full field of 16 teams (at this point we disregard year groups in order to have the fastest riders against the fastest riders across the competition).
Mass start races last approximately 10 minutes as time allows, not a set number of laps.
Everyone finishes on the same lap as the leader (i.e. When the leader finishes, the race is over).
ONLY rider positions in mass start races count towards overall score, lowest team score wins.

Notes:
