Team of 4 and a Squad of 4

Years 3 to 6

Years 7 to 11

Umpires

Young leaders will be used for the Level 3 competition.

Court Size

Four teams can be accommodated on two badminton sized courts. (This may be adapted due to space available)

Rules

Each player delivers stones corresponding to their team colour, red or blue, towards the target at the opposite end of the court.

Stones can be propelled using any part of the body or using a pusher, providing that the player is behind the delivery line on releasing the stone.

Individuals/teams take it in turns to deliver the first stone of an end. The individual/team going first in the first end should be determined by a toss of a coin.

Each game consists of either four or six ends. An end is completed when all eight stones have been played.

Scoring

A team scores one point for each stone that is closer to the centre than any opposition stone

At the completion of four/six ends, the points scored on each end are added together. The individual/team with the highest total score wins.

For league competitions score three points for a win and one point each for a draw. Use stones difference to separate tied teams — e.g. if a team wins 9–4 the stones difference for that game will be +/- 5
