

Sport:
SEND Primary Festival

This is aimed at Primary School children who have special educational needs and /or disabilities.

Competition:
Devon School Games

Teams
Teams are not required
Participants are welcome from
Years 3, 4, 5 & 6

Competition Format
Each event will be loosely based on Paralympic Sports in a festival format. Support staff do need to stay and support their students. The event will be led by Young Leaders who will have received training specifically for this event. Part of the process is also for the student leaders to experience working with a range of children and needs. The SEND students will rotate around a number of stations all of which will be adapted to suit specific needs.
