Introduction

This document has been created for class teachers and is designed to summarise the content of the Active Lives Children and Young People questionnaire for children in Years 3 to 6. Please note that the online questionnaire has been designed to be engaging for children to complete and therefore questions are not displayed in the same format as shown below.

A separate information sheet for class teachers has been provided to explain how to administer the survey with your class, titled *Active Lives Survey for Children and Young People: Information for class teachers administering the pupil survey*.

Some questions will be displayed only to children in Year 5 and 6 classes. These are flagged in *red text*. Other additional information is highlighted in *green text*. Changes to the survey for 2018-19 are included in *orange text* for ease of reference.
