Closes: 5pm, Sunday 28th June 2020

Welcome to the Devon *Virtual* Games Events hosted by Active Devon and the School Games Organisers - it is the Devon Summer School Games with a twist!

All competitions are virtual, and you can enter as many of them as you like. The competitions are suitable to do at home, in your backyard or garden or at school. They give you the chance to virtually team up with your classmates, represent your school and compete against other children from across Devon!

The #DevonVirtualGames will run from the 18th May 2020 – 13th July 2020 with six different events for you to enter. Individuals will be able to submit their entries via an online link. The last additional event will be a set of family-based challenges which will run throughout the summer holidays. Every Monday at 10am throughout June we will post a new competition for you to get involved in. Each competition will be open for a limited amount of time. Please see below.

There will be medals, certificates, and prize categories for each event. All entries will also be included into a prize draw for the chance to win some great prizes, plus the school with the highest percentage of their pupils taking part will also win a prize, so make sure you tell your friends from school to get involved too!

You must ensure you are following the [latest government guidance on being active during the coronavirus outbreak](#).

Brief Description of the Event:

This event gives you the chance to have some fun creating your own dance routine to the 'Official Instrumental version of Blinding Lights' by The Weekend. Your routine will have to be no longer than 1 minutes in duration, but you can use any style of dance you like. If we have adequate entries and permissions allow, we will be editing clips of all the entries to create a dance video routine to thank all key workers for their hard work. This is a chance to get your best dance moves out and show them off, but most importantly have fun!

Before You Start:

Listen to the 'Official Instrumental version of Blinding Lights' by The Weekend and pick the section you want to dance to.

How to Complete the Event:

Create your own routine either on your own or with people from your household (parents are allowed to participate) to our chosen song and once you are happy ask someone in your household to record your masterpiece and send it in to us! Get creative with props and costumes if you like.

At some point during your amazing routine, please can you hold up a rainbow.
