The main challenge is made up of three separate challenges: the 7 Days Challenge; 14 Days Challenge or 21 Days Challenge. As a family you can choose which one you would like to do. Plus, which Certificate Award you would like to go for, either Bronze, Silver or Gold. Here's some more information on the different challenges.

Activity Challenge – Moving Minutes

Active minutes can be achieved in many ways, whichever suits your family best. You will need to choose one of the following challenges: 7 Days, 14 Days or 21 Days, and then which Certificate Award: Bronze, Silver or Gold.

Active minutes can be built throughout the challenge you choose (for example, if you choose the 7 Days Bronze Challenge, you need to achieve 210 minutes across the 7 days. This could be done in a variety of ways, here is just one example: 5 days x 42 minutes = 210 minutes.

All challenges must be completed between 10am on the 5th January 2021 and 10am on the 8th February 2021. A family can consist of a minimum of one adult and one child and there's no maximum number, as long as you're all in the same household or family bubble.

You must also ensure you are following the [latest UK government guidance on being active during the coronavirus outbreak](#).

- Active play
- Skateboarding
- Riding a scooter
- Walking to the shops or park
- Activity in the living room or in the garden
