Closes: 5pm, Friday 2nd July 2021

Overview

Welcome to the Devon *Virtual Games* Events hosted by Active Devon and the Devon School Games Organisers. This series of events throughout the Summer term will offer young people the opportunity to compete against themselves and others whilst maintaining social distancing.

All competitions are virtual, and you can enter as many of them as you like. They give you the chance to team up with your classmates, represent your school and compete against other children from across Devon!

The Sunny Days Activity Challenge will run from Tuesday 4th May 2021 – 5pm Friday 2nd July 2021. Schools will be able to submit their entries via an online link below.

You must ensure you are following the [latest government guidance](#) and the [guidance for teachers, school leaders, carers, parents and students](#).

Brief Description of the Event:

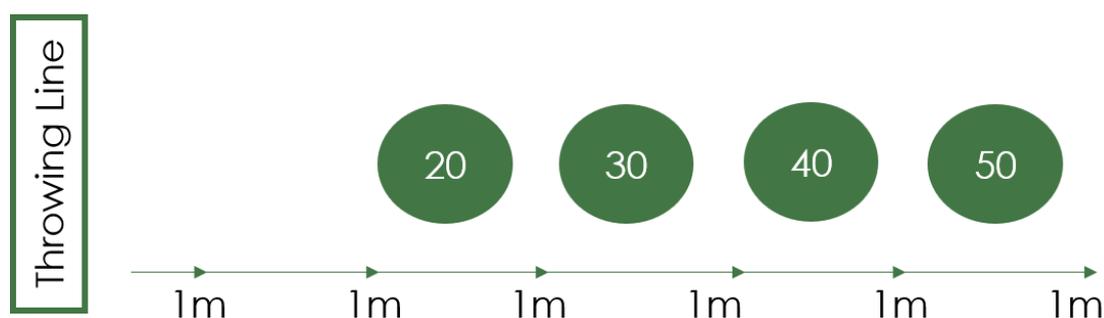

The idea behind the Sunny Days Activity Challenges is to give all pupils a chance to compete and experience success and to represent their school. Hopefully, we are near the end of covid restrictions but still need to be careful so this will be an opportunity for children to take part in a virtual competition where every child's score contributes to their school score. There are 4 different activities that relate to the summer sports of tennis, cricket and athletics.

Bean Bag Throw

Equipment: 5 bean bags, 5 spots/ sheets of A4 card/ throwing line

Task: from behind the throwing line throw the bean bags in turn to get a bean bag to land on the spots; however you cannot move to the next spot until the closest (previous) spot is hit. The bean bag does not have to wholly land on the spot; touching the spot is good!

Scoring: Spots go up in 10 point increments from the closest one. Only 1 score per spot. Max score is 150.

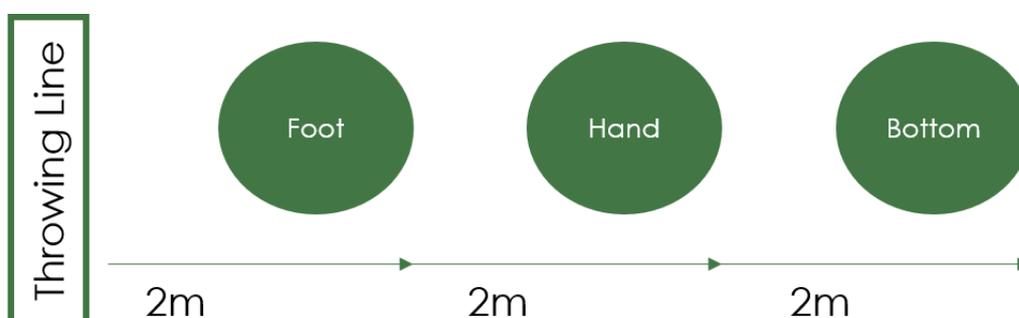

Speedy Body Sprint

Equipment: stopwatch/ 3 x spots or small cones/ starting line

Task: from the starting line run and touch the first spot with your foot and return to touch the starting line with a foot, repeat to the next spot and touch it with your hand and return to touch the starting line with a foot, finally go to the last spot and sit on it and return to cross the starting line. Time how long it takes.

Scoring: number of seconds to achieve the whole course.

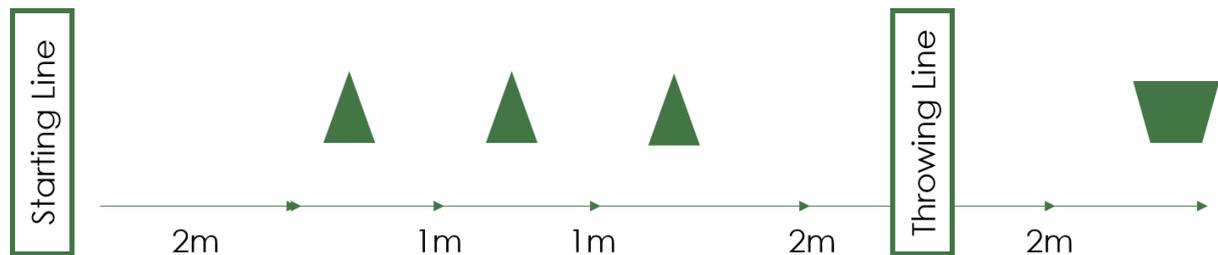

Carefully Does It!

Equipment: starting line/ 3 cones/ container (like a bucket)/ any racket/ bean bags / stopwatch

Task: from the starting line you have 60 seconds to weave in and out of the 3 cones balancing the bean bag on the racket. When you get to the line at the end try to throw the bean bag into the container and sprint straight back to repeat

Scoring: you have 60 seconds to get as many bean bags into the end container. Each bean bag is worth 20 points and each cone you pass on your way up is worth 10 points.

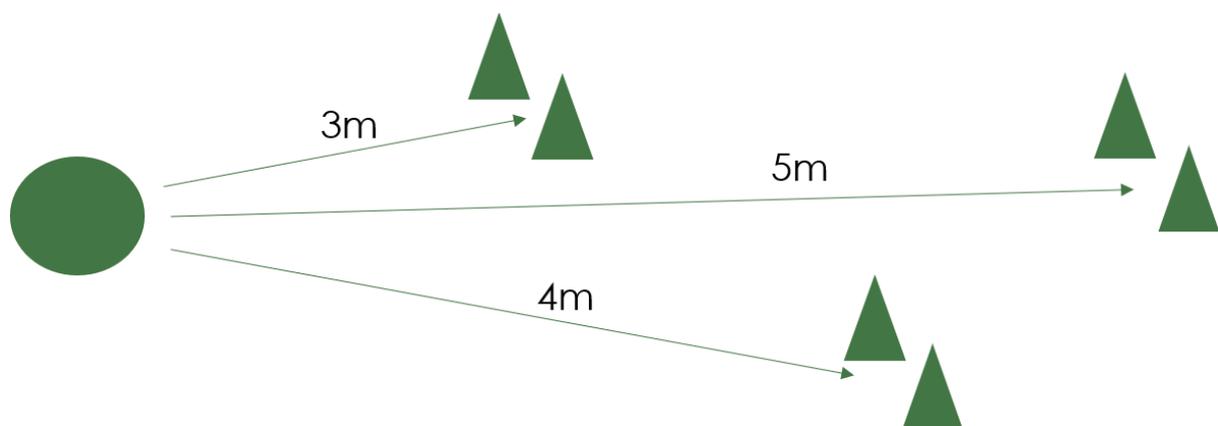

Strike It Lucky

Equipment: cricket bat / 6 tennis balls/ 6 cones/ spot

Task: put a ball on the spot and starting with the closest "goal" try and hit the ball through the goal, Repeat with a second ball, Then do 2 balls through the next goal and 2 through the furthest goal. The cones are 75cms apart from each other.

Scoring: nearest goal is worth 5 points for each ball through, second goal is worth 10 points and the third 20 points.
